

Wednesday

Dear Mildred - I'll  
be thinking of you Friday  
morning, going through  
another ordeal away from  
your family - It seems  
like you are always  
having to fight things  
through alone - But we  
are all with you, in  
our thoughts & wishes  
& so just feel that you  
are not alone.  
We are going by L. City  
after all - Leave at  
5 o'clock Sat  
PM
